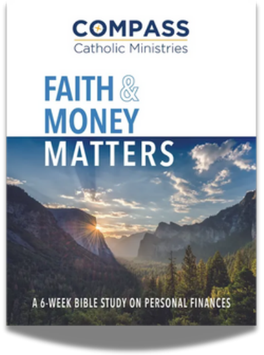
Faith & Money Matters

Faith & Money Matters is our primary Bible study that dives deep into money management from an authentically Catholic viewpoint. Over the course of six weeks, participants learn how to:

- Create a spending plan
- Get out of crushing debt
- Live with complete financial integrity
- Start saving and investing for long-term financial wellbeing
- Develop a generosity plan that will improve their lives while growing in faith



Most importantly, they learn how financial discipleship can change their lives!

Faith & Money Matters is not only for those in debt; it's for anyone who wants to live with their money in a way that grows their faith rather than detracts from it. This study can be taken individually, in a small group, online, or facilitated by a parish.

Dios y Tus Finanzas
