

CanineSidekicks Service Dogs, Inc.

Board & Train Program Fee Schedule

All fees are listed in Canadian Dollars (CAD). Unless otherwise stated, fees paid during the application and assessment process are credited toward the cost of an accepted training program.

Category	Service	Fee
Handler Application & Assessment	Application Consultation and Handler Evaluation (1.5–2 hours)	\$300
Dog Application & Assessment	Comprehensive Dog Evaluation (3 x 1-hour sessions)	\$600
Board & Train	Public Access Skills Program (minimum 16 weeks)	Starting at \$10,000
Task Training	Task Development & Training (minimum one task)	Starting at \$5,000
Additional Training	Additional Board and Train Time	\$625/week
Follow-Up	Additional Follow-Up Session (60 minutes)	\$100/session

Program Notes

The Public Access Skills Program includes a minimum of sixteen (16) weeks of training and may be completed in one or multiple stays depending on the dog's age, maturity, training history, and individual needs.

Task Development & Training starts at \$5,000 and includes the development and generalization of one disability-mitigating task. Additional tasks may require additional training time and fees.

Program fees include evaluations, board and train services, homework materials, video resources, twelve follow-up sessions, and complimentary annual recertification through Sidekick Service Dogs, Inc. for the active working life of the team.
