Sport participation	☐	
Interaction with unfamiliar dogs	☐	
Dog park participation	☐	
Interaction with unfamiliar people	☐	

3. Dog Interaction and Socialization Expectations

- Dogs participating in transitional placement are expected to maintain behavioural stability, safety, and physical welfare throughout the placement process.
- Interaction with unfamiliar dogs may be restricted unless specifically approved by the Training Director.
- Dogs may only participate in structured introductions or supervised interactions authorized by CanineSidekicks Service Dogs Inc.
- Dog park participation, uncontrolled socialization, or unnecessary interaction with unfamiliar dogs is discouraged due to the potential risk of injury, behavioural conflict, illness exposure, or disruption to training stability.
- Dogs residing within the approved household may participate in approved supervised interactions where appropriate.

4. Transportation and Vehicle Safety Requirements

- Dogs must be transported safely and appropriately at all times.
- Approved transportation methods may include crash-tested crates, crash-tested seatbelt restraint systems, secured tether systems, or other approved safety containment systems.
- Dogs may not be transported loose within a vehicle.
- Dogs may not be left unattended in unsafe environmental conditions or temperatures.
- Transportation expectations may be modified based on medical, behavioural, or welfare considerations.
