

IMPORTANT DISCLAIMER: TRADIEMATEPRO

Please note that the following information is provided by Tradiematepro (www.tradiematepro.com.au) and covers various aspects of consulting and business advice, including but not limited to financial, recruiting, and general business advice.

We want to emphasise that the information presented here does not constitute specific advice tailored to your individual circumstances. If you require advice customised to your situation, we strongly recommend consulting with qualified professionals who have expertise in the relevant fields and have achieved results aligned with your objectives. Furthermore, conducting your own research (DYOR) and due diligence (DD) is crucial before making any business-related decisions. Blindly following our, or any other, recommendations may have unforeseen consequences, as what works for one business may not be suitable for another.

It's essential to be aware that all business endeavours carry inherent risks, and outcomes may vary. Tradiematepro cannot guarantee specific results or financial gains. Any business decision you make, including financial investments and recruitment choices, should be made after careful consideration and consultation with appropriate experts.

Please understand that this communication is intended solely for the addressee and should not be disseminated publicly. It may contain privileged and confidential information. If you are not the intended recipient, any use or distribution of the information is unauthorised. We retain the right to monitor all communications within our Tradie Launchpad program or any other programs by Tradiematepro. Receiving this information by mistake does not waive its legal privilege and confidentiality, and we kindly request that you keep the details within the Tradie Launchpad program or any other programs by Tradiematepro confidential. The content provided herein is for general informational purposes and should not be considered as specific advice for your business.

It is essential to note that all Tradiematepro information, products, and services are not intended to provide consulting, legal, or accounting advice. When making business decisions, you should be aware of the laws and regulations governing business practices in your country and state, as they can significantly impact your operations.

The information provided on the Tradiematepro website, as well as through the Tradie Launchpad program and all other programs, is of a general nature and not tailored to any specific individual or business. Making any business decisions, including financial investments, recruiting, or other business-related choices, based solely on the information presented here carries inherent risks.

We strongly advise conducting independent research and consulting with relevant professionals before making any business-related decisions. By using and accessing the information in the Tradie Launchpad program or any other program by Tradiematepro, you acknowledge that you do so at your own risk.

As a user of our products, services, and the Tradie Launchpad program or any other programs by Tradiematepro, it is essential to conduct your due diligence when making business decisions. The information, products, and services offered by Tradiematepro or any associated sites should be independently verified by qualified professionals before relying on them. Our company cannot be held responsible for the outcomes of your business decisions based on information presented by Tradiematepro or our products and services.

DISCLAIMER: WORKPLACE HEALTH AND SAFETY (WHS) AND EMPLOYMENT (HR) ADVICE

Tradiematepro would like to clarify that we do not provide any Workplace Health and Safety or employment advice. The information we offer is intended solely for general knowledge and educational purposes and should not be interpreted as specific advice for workplace health and safety or employment matters.

Any WHS regulations, employment laws, and related topics are subject to regional variations and can change over time. Tradiematepro does not assume any responsibility for the accuracy, completeness, or applicability of WHS or HR information provided on our platform.

For WHS advice, we recommend consulting with qualified professionals who specialise in workplace safety and are knowledgeable about the regulations in your jurisdiction.

Similarly, for HR advice, including contract matters and legal concerns, we encourage seeking guidance from qualified employment law experts who can address your specific situation.

Tradiematepro disclaims any liability for any losses, damages, or actions resulting from the use of workplace health and safety or employment information found on our platform.

It is essential to conduct your due diligence and consult appropriate experts before making any decisions or taking action related to workplace health and safety or employment matters.

If you have any questions or concerns about the information presented on our platform, kindly reach out to us for clarification.
