Online retake course with revision modules

## Online live course – key points

- Each session is delivered live
- Catch up on missed sessions by watching recorded live sessions
- Access to a JIEB qualified tutor for the duration of your studies
- Dedicated regular coaching sessions delivered out of hours to fit around your work commitments
- Question practice and dedicated marking and feedback at key stages in the journey
- Up to date study manuals and question banks (soft copies)

## Coaching – key points

- My experience of teaching JIEB has shown time and time again that with those who are not fortunate enough to pass the exam, the issue is more often than not exam technique
- With this option, we have smaller groups and more one to one opportunities to prepare you for the next sitting
- We will work together to enhance not only your knowledge, but your approach to the exam
- The assignments are set by me and I will mark your scripts personally and provide feedback designed to help you improve

## Online revision option\*

- Option to change your course to access revision classes later in the year to further help you prepare for the exam
