

ALZHEIMER'S DISEASE

How PTs can be effective

Course Description: This 1 hour CEU course will educate clinicians on Alzheimer's Disease. The course will discuss epidemiology, pathophysiology, diagnosis, and treatments for dementia and Alzheimer's disease. We will pay special focus to the role of the physical therapist on the care team and treatment strategies that can be employed to successfully treat this population. This course is hosted online and is not live.

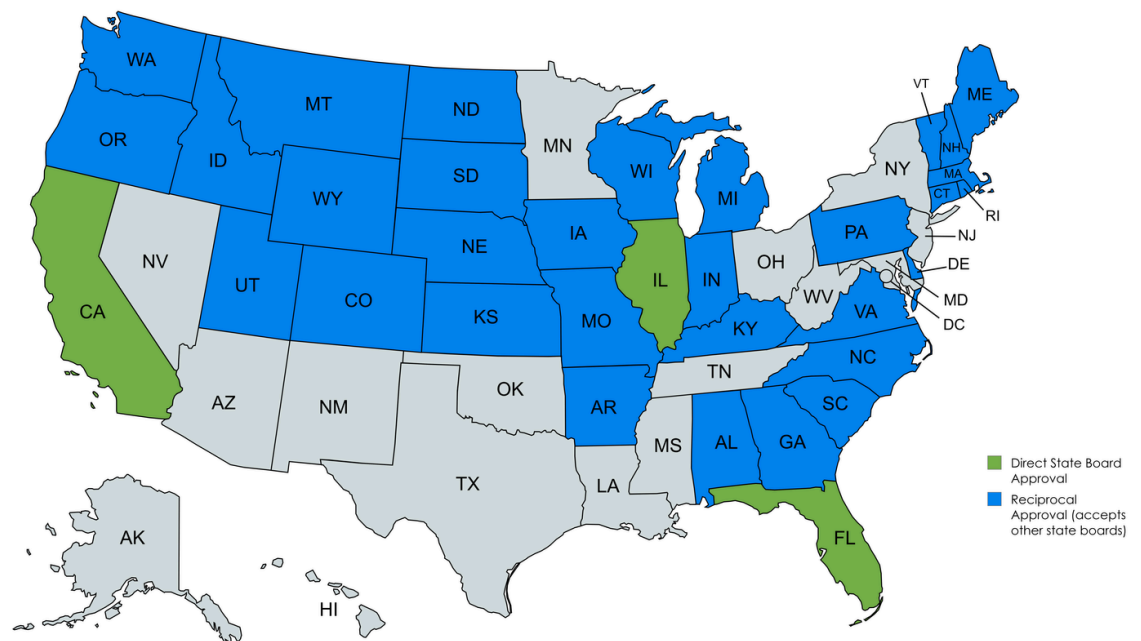

Speaker: Alyssa Rice is a physical therapist who works for Ekso Bionics as the Clinical Program Manager. One of her roles is to search, read, and compile research regarding exoskeletons for clinical and regulatory purposes. Her clinical experience was in the outpatient setting focusing primarily on patients with brain injuries. She received her doctorate of physical therapy from Northwestern University in 2015.

CONTINUING EDUCATION

This course has been approved for PTs and PTAs for **1.0** contact hours.

Ekso Bionics Inc. is a licensed CE Sponsor of the Illinois Department of Financial and Professional Regulation (#216.000393), a rule-approved CE provider of the PT Board of Florida (#50-45580) and has been approved as a provider of continuing education for Physical Therapists and Physical Therapist Assistants in California (CA) by Redefine Health Education, a recognized approval agency of the Physical Therapy Board of CA.

In addition to the approvals noted above, the teal states on this map are likely to accept courses approved by other state boards pursuant to regulation. As regulations may change over time, please confirm current accuracy with your state board, eg. that they will accept courses approved by other state boards.
