

Fall In Love with Supplies!

We see you, we appreciate you, and we support you! **Your dedication to shaping young minds doesn't go unnoticed**, and we know how important it is to have the right tools to make a difference.

This is our way of saying thank you for all that you do. Your passion and commitment inspire our community, and we want to ensure you have everything you need to create an engaging learning environment.

Come together with fellow educators, share ideas, and walk away with supplies that will empower you and your students. **You are the heart of education, and we're here to support you!**

We are so close to reaching our \$100 Million goal. Will you be the shopper that takes us over the top?

Why I'm Ditching my Classroom Job Chart for STAR of the Week

I've always been a fan of a good classroom job chart. It makes me feel like I'm teaching my students responsibility and important life skills, and it makes it seem as if my class is working as a team—sometimes. On the other hand, maintaining a job chart can be a hassle, and sometimes it feels like it's just one more thing for me to manage.

22 Brilliant Organization Hacks You Need to Try in Your Classroom

Teachers are constantly finding hack ideas to try in their classrooms during the school year. Unfortunately, between lesson planning, parent/teacher conferences, and, oh yeah, TEACHING, there are just not enough hours in a day to carry out many of the hacks that would actually end up making a teacher's life easier.
