

iPad, iPhone

If you are viewing our lessons on an iPhone or iPad, it may be helpful to use our app.

[CLICK HERE](#) to learn more about the app and watch a short video demonstrating how to use the app.

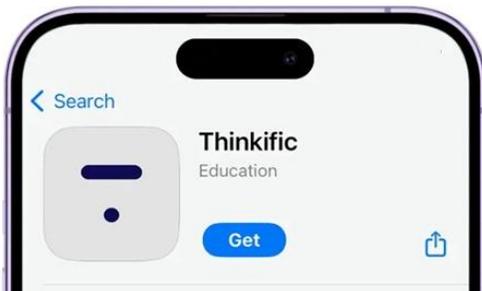

HOW TO INSTALL THE FREE MOBILE APP

First, go to your App Store:

[Apple App Store](#) (for iOS)

[Google Play Store](#) (for Android)

In the App Store search, type "Thinkific" It will look something like this:

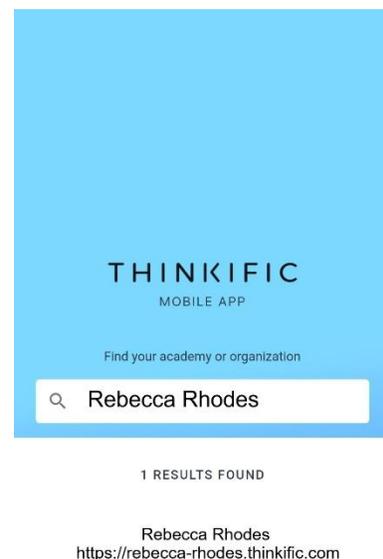

After installing the Thinkific app...

1. Open the app on your device
2. In the search bar, type in the name of our school. The name is "Rebecca Rhodes."
3. Click enter
4. In the list of results, you will see "Rebecca Rhodes" and the address of our school.

Select the school. A screen will appear, where you can log into our school.

After logging in, you can view your tutorials and watch your lessons.
