Regents Boosters™ qualifies for stimulus funding as it promotes students' academic success.

Students with learning disabilities

Regents Boosters™ products provide clear, visual, step-by-step presentation of the material, along with humorous hints and creative graphics, make learning accessible to students with learning disabilities, including but not limited to processing, memory, and language disabilities.

English language learners

Regents Boosters™ products use simple vocabulary that English Language Learners can understand the information easily. Additionally, our ebooks provide a read out loud option with lookup tools to define difficult words or to translate paragraphs into other languages.

Remote learning

Our program offers digital learning options as well as lightweight print books that can be transported back and forth easily. Students can learn using our materials in any environment.
