

Sleep Disorders Dentistry 2 + 2 Mini Residency

"I have been practicing Sleep Disorders Dentistry for over 25 years. As Clinical Director, I have drawn from this experience to create this Mini Residency Program, designed to help you become a competent Sleep Disorders Dentist and to create a Staff-Driven Sleep Disorders Dentistry program." - John Viviano DDS D ABDSM

Learning Objectives:

Learn screening, consultation and referral techniques. Speak intelligently about in-lab sleep studies. Take bite registrations. Deliver trial appliances. Observe custom appliance delivery techniques. Dispense Home Sleep Studies and use results to optimally calibrate appliances.

For Comprehensive Information Visit SDDacademy.com
