

# Greening up your Business

- it's not just about  
solar panels and recycling

## Here's just a few ways to Go Green:

- Install Motion-sensing lights
- Bring-your-mug to work program
- Cycle-to-Work 30-day Challenge
- Opt-in for paperless bills
- Work-from-home days
- Choose used over new

## What are you doing in your business?

Share this flyer with your co-workers & friends.

Share on social media what your business is doing to help people & nature thrive!
