Sunday Sep 24th 10.00 – 11.30am AEST (Melbourne Time)		On Zoom
Sunday Oct 29th 10.00 – 11.30am AEST (Melbourne Time)		On Zoom
Sunday Nov 26th 10.00 – 11.30am AEST (Melbourne Time)		On Zoom
Sunday Dec 17th 10.00 – 11.30am AEST (Melbourne Time)		On Zoom

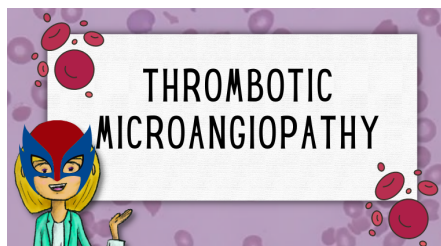

On Demand Tutorials

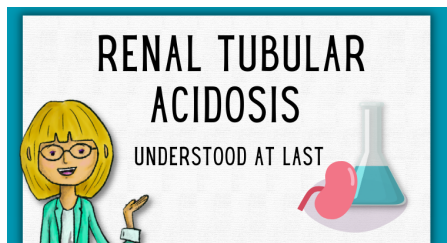

This variety pack of renal mini-tutes and MCQs is Revision Reinvented and a great place to start (or finish) your journey. With topics from transplant to the aldosterone:renin ratio, you'll find so many pearls in here!

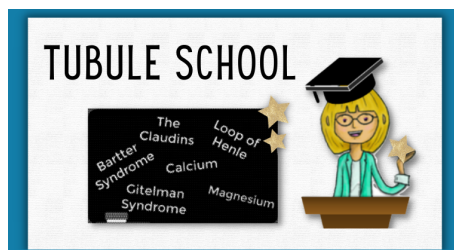

The Cheat Code for Learning GN. Finally understand glomerulonephritis and summarise everything on one page! ...all this in just 40 minutes!

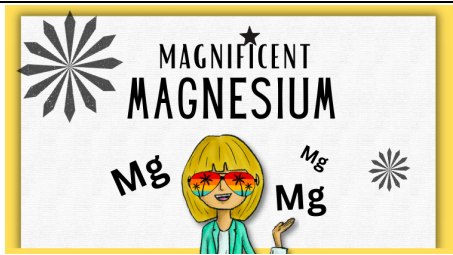

TMA is easy when you know how – in this fun tute we break down aHUS, TTP and shiga toxin HUS like it aint no thing!

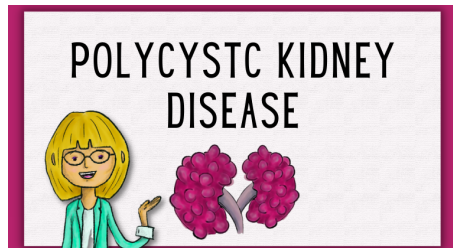

RTA Understood at Last! This scribble along tute will hold your attention and help you make friends with the nephron. Easy as!

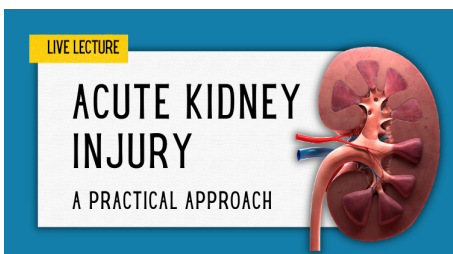

*Netflix meets Tubular Physiology
Demystified in this fun series covering:
Diuretics
Loop of Henle
Calcium, vit D & PTH
Bartters, Gitelmans
And more!*

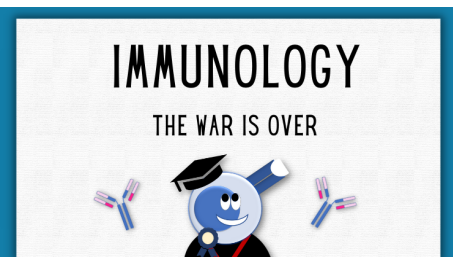

Here we give magnesium (my favourite electrolyte) a dedicated place to shine! Find out how magnesium breaks the rules and learn Mg2+ facts for MCQs and doctor life.

Polycystic Kidney Disease & Tolvaptan are an MCQ fave and this tutorial is a one stop shop to learn all the things!

This LIVE recording provides understanding and a practical approach to AKI in clinical practice. We'll be layering on even more AKI know-how in the lives series for the MCQ win

Studying Immunology has never been more fun! This series is clarity in a basket

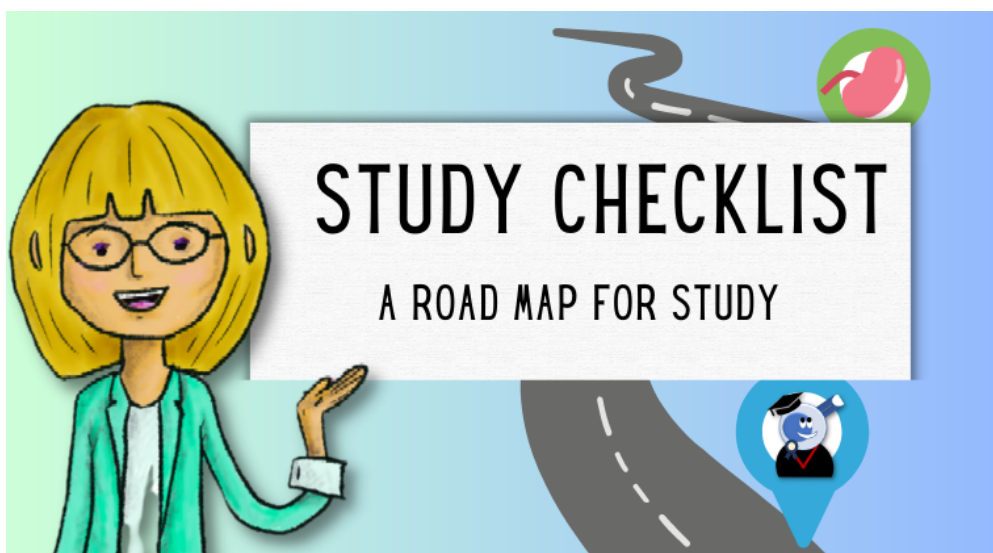

And this deluxe version is ad free & packed with bonus goodies like MCQs and handy printables. Yay!

And when you're done with the basics head on over to our Transplant Immunology tutorial where you'll be upgraded to transplant ninja in no time!

And for those job applications be sure to check out Rock Your Cover Letter – where we'll craft your cover letter paragraph by paragraph. I even show you my ACTUAL cover letter that got me into advanced training.

Study Check List

This will be updated regularly as new content becomes available

Theme	On Demand (Available Now)	Live Teaching (from July 2023)
Renal Disease	<input type="checkbox"/> GN in 40 minutes <input type="checkbox"/> Thrombotic Microangiopathy <input type="checkbox"/> Polycystic Kidney Disease <input type="checkbox"/> Acute Kidney Injury	<input type="checkbox"/> ANCA vasculitis <input type="checkbox"/> Myeloma Kidney <input type="checkbox"/> Acute Kidney Level Up
Tubular Physiology	<input type="checkbox"/> Renal Tubular Acidosis <input type="checkbox"/> Fanconi's Syndrome <input type="checkbox"/> Diuretics <input type="checkbox"/> Calcium, Vit D, PTH <input type="checkbox"/> Gitelman's Syndrome <input type="checkbox"/> Barter's Syndrome <input type="checkbox"/> Magnesium	<input type="checkbox"/> Sodium highs and lows
CKD & Dialysis	<input type="checkbox"/> Diabetes & CKD <input type="checkbox"/> Aldosterone:Renin Ratio <input type="checkbox"/> Hypertension & CKD <input type="checkbox"/> CKD-MBD	<input type="checkbox"/> ESRF, Dialysis & Complications
Transplantation	<input type="checkbox"/> Transplant Immunology <input type="checkbox"/> Crossmatching <input type="checkbox"/> Immunosuppression & Side Effects <input type="checkbox"/> Heart Transplant <input type="checkbox"/> Bone Marrow Transplant <input type="checkbox"/> Lung Transplant	<input type="checkbox"/> Renal Transplant in Clinical Practice
Immunology	<input type="checkbox"/> Immunology the War is Over <input type="checkbox"/> Transplant Immunology
