

PRAYER FOR ANGELS

For Parents

Lord Jesus, I ask You to send forth Your holy angels, of sufficient number, power, authority, and rank, to surround my child(ren) and push back, off, and away every principality, power, and demon of darkness that seeks to steal, kill, or destroy in their life.

Lord, command Your angels to do battle in the heavenly realm on their behalf, that they may walk freely in the purpose and destiny You uniquely designed for them.

Fill them, Lord, with Your grace, courage, and steadfast faith to overcome every obstacle that stands in the way of their pursuit of holiness and sainthood.

Teach them, by Your Spirit, to trample underfoot every lie and deception of the enemy, and to live each day in the victory of Your Cross.

Amen.
