Jesus came to accomplish an even greater healing than physical healing alone.

This greater healing was victory over sin and death through His Passion, Death and Resurrection.

Our suffering now has redemptive value if we patiently endure it and join it with the suffering of Christ.

# Words to Know

## Anointing of the Sick

The Anointing of the Sick is the Sacrament in which the Church prays for and anoints with sacred oil those who are gravely ill, asking for strength and healing.

## Oil of the Sick

The Holy Oil used in the Anointing of the Sick. This oil is a sign of nourishment, healing, and strength.

## Sacramental Graces

The supernatural help we receive from God through the Sacraments. In the Anointing of the Sick, God gives us the grace to accept our illness and die a good death.

## Viaticum

Eucharist that is given to the dying. A sacrament of “passing over” from this life to eternal life.

# The Sacrament of Anointing

“Is anyone among you sick? He should summon the presbyters of the church, and they should pray over him and anoint him with oil in the name of the Lord, and the prayer of faith will save the sick person, and the Lord will raise him up. If he has committed any sins, he will be forgiven.”

(James 5:14-15)

# Who can receive the Sacrament?

Any baptized Catholic who is in danger of death from serious illness or old age (CCC 1514)

# How is it celebrated?

- “The priests of the Church--in silence--lay hands on the sick; they pray over them in the faith of the Church.... They anoint them with oil blessed, if possible, by the bishop” (CCC 1519).
- The priest or bishop prays: “Through this holy anointing may the Lord in His love and mercy help you with the grace of the Holy Spirit. May the Lord who frees you from sin save you and raise you up” (CCC 1513).

# The Fruits of Anointing

- Strength, peace, and courage to overcome the difficulties of suffering
- Unity with the Passion of Christ
- Consecration of suffering for participation in salvation
- Forgiveness of sins
- Physical healing (if that is God's will)
- Grace and preparation for the recipient's final journey home

# Viaticum

In conjunction with the anointing, a person may receive the Eucharist as *viaticum* or “food for the journey.”

# Lesson Activities & Key Concepts

# What is the Triduum?

The Triduum are the holiest days of the year in the Church calendar, beginning with evening Mass on Holy Thursday and ending with Evening Prayer on Easter Sunday.

# The Triduum begins with the Mass of the Lord's Supper on Holy Thursday evening.

- At this Mass we celebrate the institution of both the Eucharist and the priesthood.
- During the liturgy, the priest also washes the feet of 12 people from the congregation

# On Good Friday, we celebrate the Liturgy of the Lord's Passion

- We commemorate the Lord's Passion in a Liturgy of the Word.
- We venerate the Cross.
- We pray for the Church and the world.
- The liturgy concludes with the reception of Holy Communion.

# Holy Saturday and the Easter Vigil

The first part of the day continues in somber anticipation.

Once evening falls, the Easter Vigil is celebrated.

- This is the first Mass celebrated since Thursday evening.
- The new Easter Candle is lit for the first time.
- Those going through RCIA are received and welcomed into the Church.
- We celebrate the Resurrection of Christ!

# The Easter Vigil

# Easter Sunday

This is a great day of feasting and celebrating, and we should spend it rejoicing in the glory, hope, and promise of the Resurrection of Christ!

**Sacred Art Discussion:**

# *Healing of the Blind Man*

**by Duccio di Buoninsegna**

*Use the questions on the following slides to lead a discussion with your kids about this piece of sacred art.*

- **Whom do you see in this painting? What appears to be happening?**
  - People in the painting: Jesus and his Apostles, the blind man
  - What is happening: Jesus is touching the blind man's eyes to heal him
- **Who do you think the man on the far right is? What does it look like he is doing? He looks almost identical to the blind man Jesus is healing to his left. Do you think he could be the same man? Why or why not?**
  - Let the conversation go in unexpected directions.
  - It might seem odd for the painter to represent the same man twice in the same painting. Maybe the two men represent the blind man before and after he is healed. The man on the right isn't holding his walking stick, and the blind man wouldn't need it to help him walk anymore once he could see again! He is also looking up: looking up at Heaven, praising God for his miraculous healing?
  -

- **How might stories in Scripture help you better understand this artwork?**

- The story of Jesus healing a blind man can be found in three of the four gospels: John 9:1-7, Mark 8:22-26, Mark 10:46-52, and Matthew 20:29-34. You may want to read one, some, or all of these passages. Maybe pick one and have the whole group read one, or divide them into smaller groups and have each group read one story.

- **Jesus said, “Those who are well do not need a physician, but the sick do. I did not come to call the righteous but sinners” (Mark 2:17). How might this statement, together with this painting, relate to the Sacrament of Anointing of the Sick?**

- Accept reasoned answers.

# Monthly Discussion Questions

- **What were Jesus' healing miracles a proclamation of?**
  - That Jesus was the promised Messiah and the coming of the Kingdom of God.
- **Who gave the Apostles the authority to drive out demons and to heal disease and illness?**
  - Jesus.
- **How does the Church continue the healing mission of the Apostles?**
  - The Church continues the Apostles' healing mission by taking care of the sick and accompanying them with her intercessory prayer.

# Monthly Discussion Questions

- **In the letter of James, what should the faithful do if someone among them is sick?**
  - They should summon the presbyters of the church, who pray over the sick persons and anoint them with oil in the name of the Lord.
- **Who can receive the Sacrament?**
  - The sacrament can be received by any baptized Catholic (who has reached the age of reason) who is either seriously ill or faces a serious operation, is elderly, or is in danger of death from sickness. It can be received more than once — even for the same illness — if that illness gets worse. The person receiving it does not have to be conscious at the time of reception.
- **How is the Sacrament of Anointing of the Sick administered?**
  - The bishop or priest lays hands on the sick person, prays over the sick person in the faith of the Church, and then anoints the sick person with blessed oil.

# Monthly Discussion Questions

- **What are the effects of the Sacrament?**

- The Anointing of the Sick gives the grace of strength, peace, and courage to overcome the difficulties that accompany serious illness or of old age. It unites sick persons with the passion of Jesus Christ and consecrates their suffering for participation in the saving work of Christ. If the person is too sick to receive the Sacrament of Penance, his sins are forgiven in the anointing. The anointing heals sick persons physically if that is best for their soul, and is preparation for their final journey home.

- **What is Viaticum?**

- The Eucharist that is given to the dying person along with the Sacrament of Anointing of the Sick. Viaticum is “food for the journey.”

- 1 Offer up a family rosary for sick relatives and friends.
- 2 Write and send cards to those you know who are ill or in the hospital.

VERSE OF THE MONTH  
**JAMES 5:14**

Is anyone among you sick? He should summon the presbyters of the church, and they should pray over him and anoint [him] with oil in the name of the Lord.

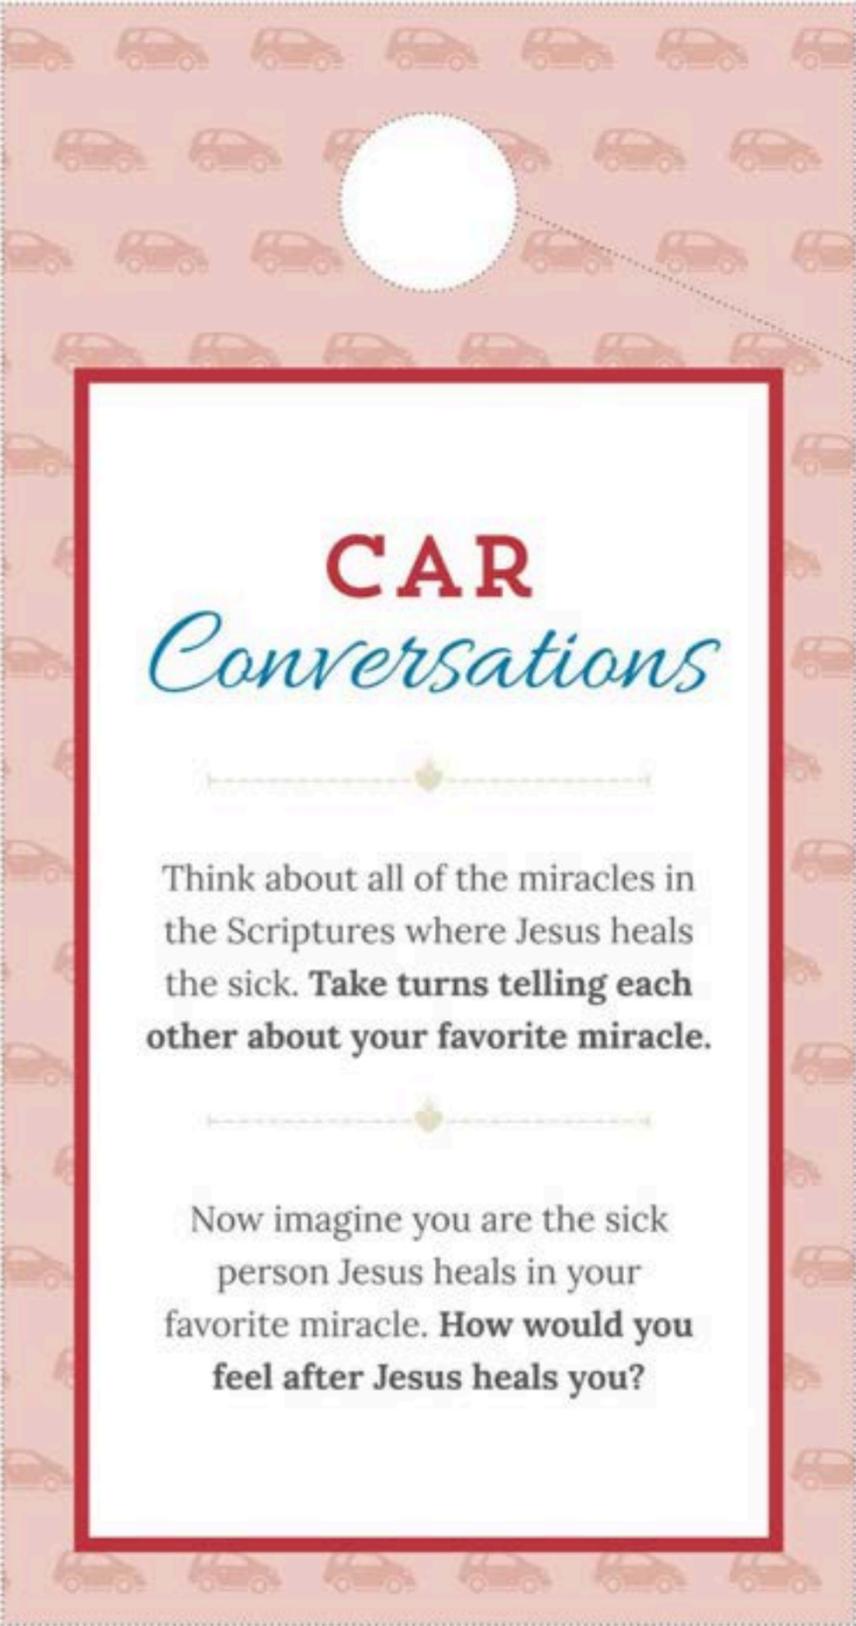

**REMEMBER!**

The Sacrament of Anointing of the Sick unites sick persons with the passion of Jesus Christ and consecrates their suffering for participation in the saving work of Christ.

**MEMORIZE!**

By the sacred anointing of the sick and the prayer of the priests the whole Church commends those who are ill to the suffering and glorified Lord, that he may raise them up and save them. (CCC 1499)

**CAR**  
*Conversations*

Think about all of the miracles in the Scriptures where Jesus heals the sick. **Take turns telling each other about your favorite miracle.**

Now imagine you are the sick person Jesus heals in your favorite miracle. **How would you feel after Jesus heals you?**

*Cultivate Faith-Filled Conversations*

Casual family conversations in the car, dinner, etc.

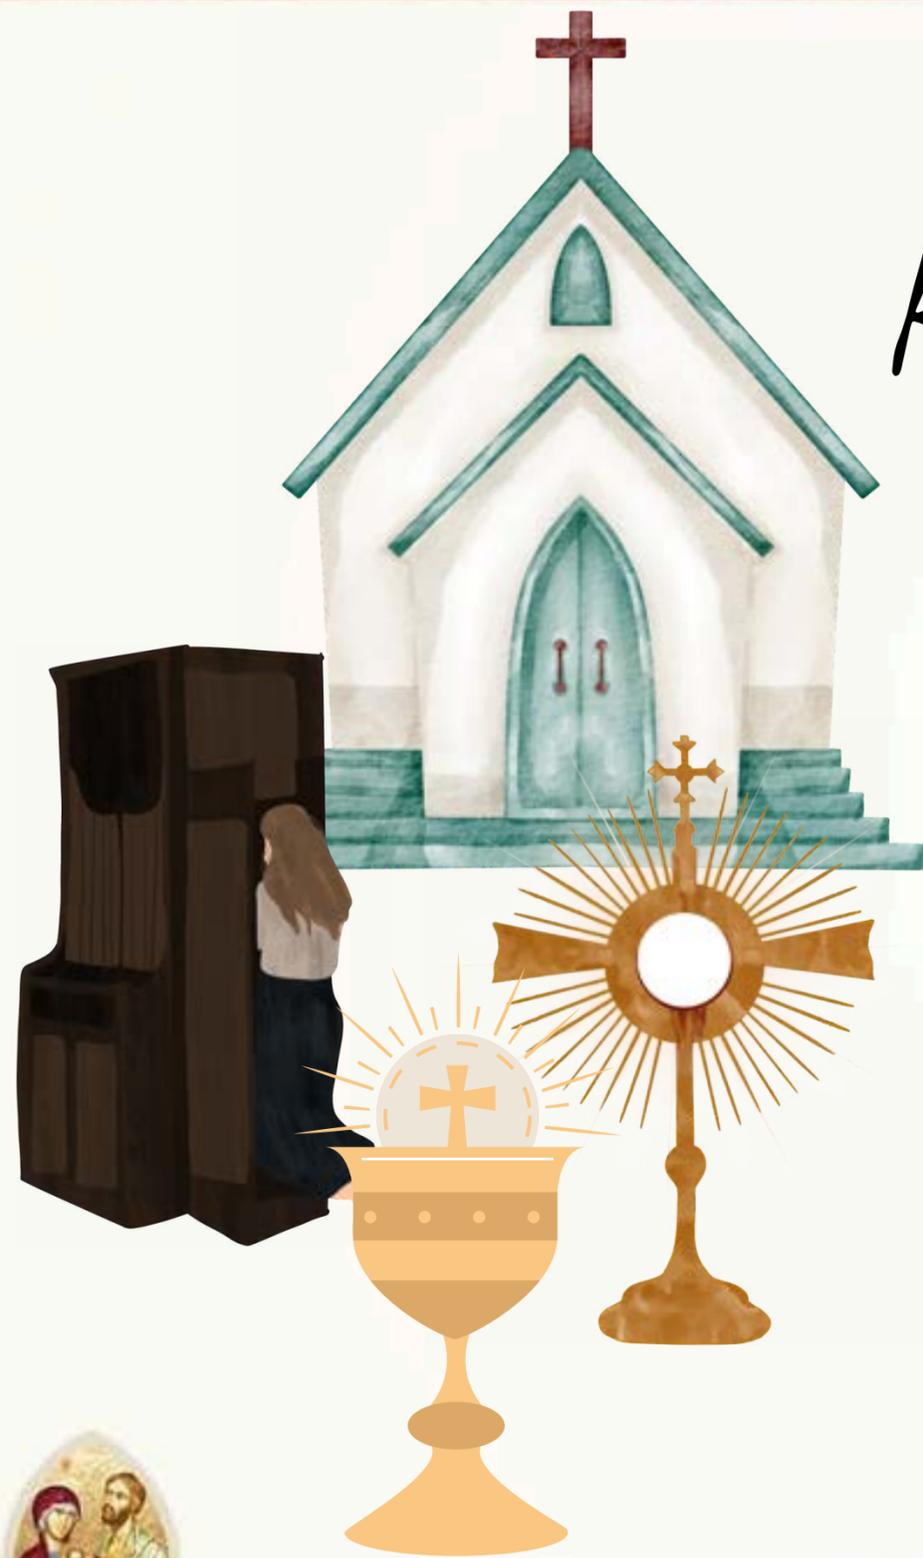

Let them be intentional, but spontaneous.

# *Talk about the key points of the month*

- Our suffering can be redemptive if we unite it to Christ's.
- The Triduum begins with evening Mass on Holy Thursday and ends with Evening Prayer on Easter Sunday.
- The Easter Vigil is the greatest celebration in the Church year.
- CCC 1499 - By the sacred anointing of the sick and the prayer of the priests the whole Church commends those who are ill to the suffering and glorified Lord, that he may raise them up and save them.

- **Feb 18 - Ash Wednesday - Lent Begins**

## YOUR *Catholic Home*

### PASSIONTIDE

The two weeks before Easter are known as Passiontide. Passiontide is a time when we can in a special way unite our sufferings with Christ. It is marked by solemnity and penitence as we liturgically celebrate the events that lead to Christ's betrayal, suffering, and death on the Cross. To mark this period of penitence, the Church veils all crosses and statues of our Lord and the saints, except for the crosses and images of the Way of the Cross. The crosses are unveiled before the Good Friday celebration and the rest of the statues and images are unveiled before the Easter Vigil Mass.

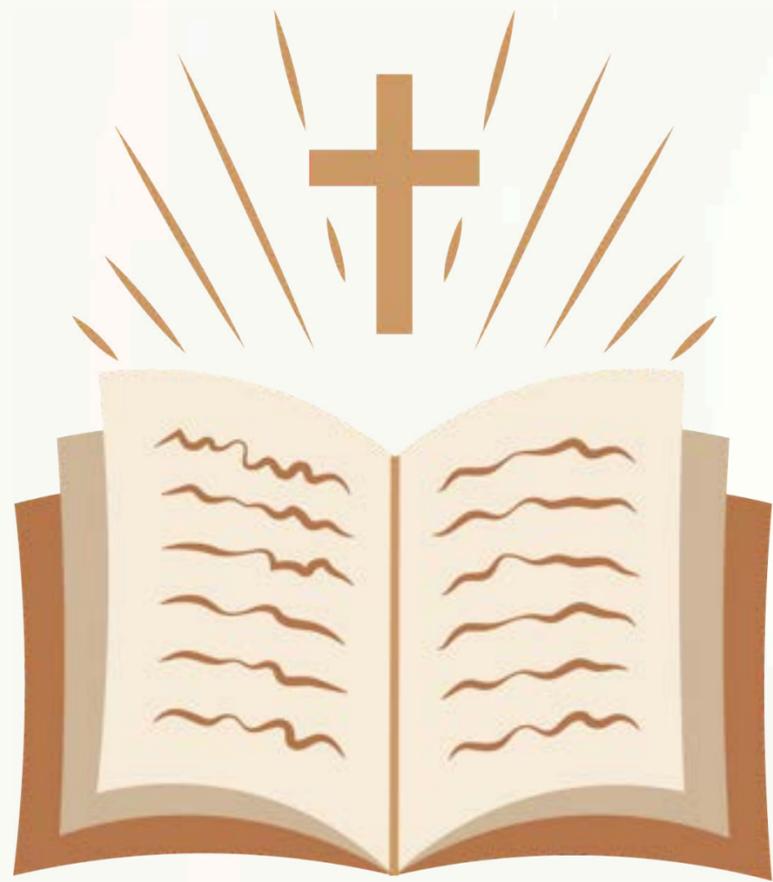

#### **Practice It!**

Hold a veiling ceremony in your home on the day before Palm Sunday. Read the Palm Sunday Gospel together, pray the Sorrowful Mysteries of the Rosary, or sing Lenten hymns such as "Were You There?" "O Sacred Head, Now Wounded," or "My Song Is Love Unknown." Veil any crucifixes in your house. Before you take your family to the Good Friday celebrations, unveil and kiss each crucifix while once again singing Lenten hymns.
