

The Vertebrates **Answers**

All of the animals WildCare will teach about have something in common with us. They are called vertebrates which means they have a backbone. You have a backbone, which means you are a vertebrate, too! Scientists group vertebrates with similar features and characteristics into different classes.

Fill in the missing vowels to find out the names of the 5 different vertebrate classes!

| | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|
| A | M | P | H | I | B | I | A | N | S |
|---|---|---|---|---|---|---|---|---|---|

Hint: Frogs, Toads & Salamanders

| | | | | | | | |
|---|---|---|---|---|---|---|---|
