

Level 2 – Applied Knowledge

Cannabidiol (CBD) Product Enforcement

Session Date: Tuesday 10th February 2026

Session Time: 10.00 – 12.00

Objectives: To help delegates gain a practical, up-to-date working knowledge of Cannabidiol (CBD) - looking at legislation, practice and guidance and the challenges associated with each sector in which CBD may be found.

Trainer: David Lovell

Trainer biography: David is a Regulatory Consultant and long-standing member of the Chartered Trading Standards Institute. David previously served as a Senior Regulatory Delivery Official at BEIS where he gained senior policy and enforcement experience and held several key high-profile roles including leading the Product Safety Investigation as part of the Grenfell Tower Fire.

Programme

The session will cover the following areas:

- Background to CBD and reasons for its growing popularity, and the difference between CBD and Tetrahydrocannabinol (THC).
- A look at specific products that may contain CBD such as food, cosmetics and vapes, and the practical and legislative challenges that surround each.
- Approaches to securing compliance.
- Standards, guidance and best practice for CBD products.

There will be plenty of time for you to ask questions and you are also welcome to submit these in advance by email to info@faabtraining.co.uk

CPD Hours: 2 hours

Who should attend?

This course would suit law enforcement professionals that deal with food, product safety and age restricted sales either through Trading Standards, Licensing or the Police. It would also suit compliance professionals working for or within organisations that supply goods that contain CBD.

The course will serve as either a useful refresher of recent changes or as a great opportunity to develop your knowledge in this emerging area.

Fee & Booking: £60 + VAT per delegate

What is Level 2 V-Learning?

Our Level 2 V-Learning helps practitioners gain practical working knowledge through expert trainer-led sessions with structured teaching, worked examples and opportunities for delegates to engage in guided practice to assist them with embedding the learning.

In addition to this you will have access to some of the UK's top experts in their subject areas. The session will be delivered using Microsoft Teams, so you will be able to see and hear the presenter as they share their presentation with you.

With no travelling costs and a real practical focus on application of the law this training offers incredible value for both the individual learner and their employer.
