Our team has truly cherished the opportunity to create and share these trainings with you over the past four years. As we head into May and June, we're excited to bring you something special: *TCA's Greatest Hits*—a curated collection of our most-loved sessions. These trainings blend the strongest moments and most meaningful takeaways from across our four-year series of trainings, all wrapped into a powerful, streamlined experience.

If our work together has supported you, your youth, or your county, we're thrilled to share that The Cool Aunt has been pre-approved by CDSS as an eligible service under Complex Care Funding. This means counties can continue partnering with us. If you'd like to explore what continued services could look like, we'd love to connect. Reach out at [Renewals@TheCoolAuntSeries.com](mailto:Renewals@TheCoolAuntSeries.com). We're grateful for every moment we've spent learning and growing with you—and we can't wait for what comes next!

“The personalized stories that tied the subject matter all together. It helps makes sense of the topic with real stories. Thank you to the presenters for sharing and being vulnerable with us all.
