

Tips for Navigating the Yarnworker School

If you are having trouble accessing the site for any reason you may want to try the following:

1. Clear cache and restart the browser.
2. Try a different browser and/or make sure your browser is up-to-date.
3. Try an Incognito / Private Window, as this will rule out an issue with browser extensions.
4. Restart the device (it's a cliché but it works!).
5. If possible, try a different device.
6. If possible, try a different internet connection. (Corporate firewalls occasionally block the video provider. This is rare.)

Searching

On the left-hand sidebar, under the navigation tabs, there is a **Search by Lesson Title** drop-down menu. If you're looking for a specific lesson in the course, this is a handy way to search.

Discussion

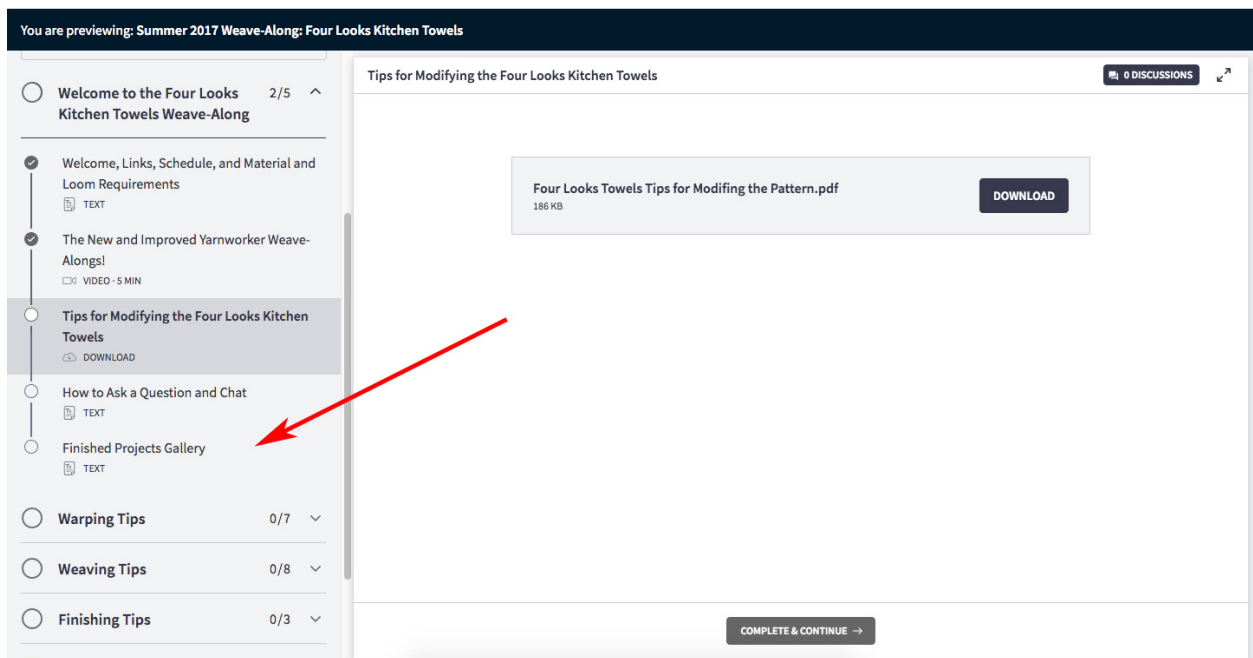

The **Discussion** button is where you can ask a question. Before you do so, scroll through the questions that have already been asked. Another weaver may have asked a similar question and received an answer. You can always ask for a clarification on an existing question, or if your question isn't covered, ask a new question.

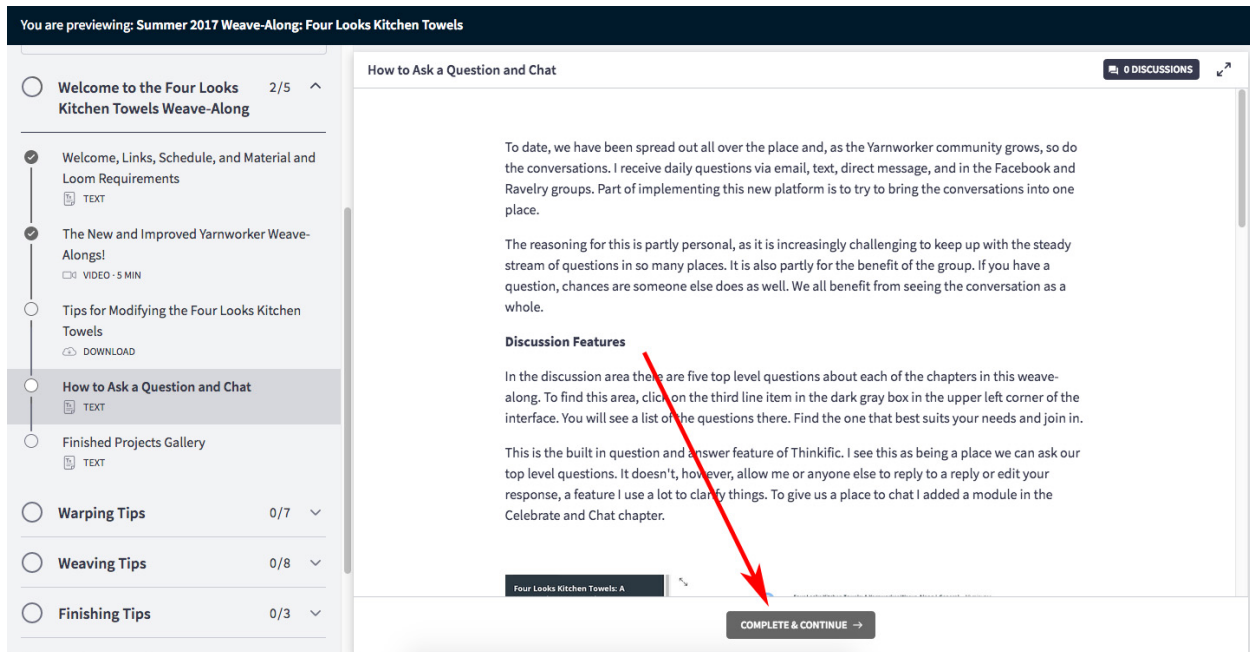

Using the Course

Lessons & Completing Lessons

Each chapter in the course or weave-along is divided into lessons. Each lesson is a unit in the larger chapter. To view a lesson, click on the title of the chapter to show all of the lessons in that chapter, and then click on the title of the lesson. This will bring the lesson up on the right.

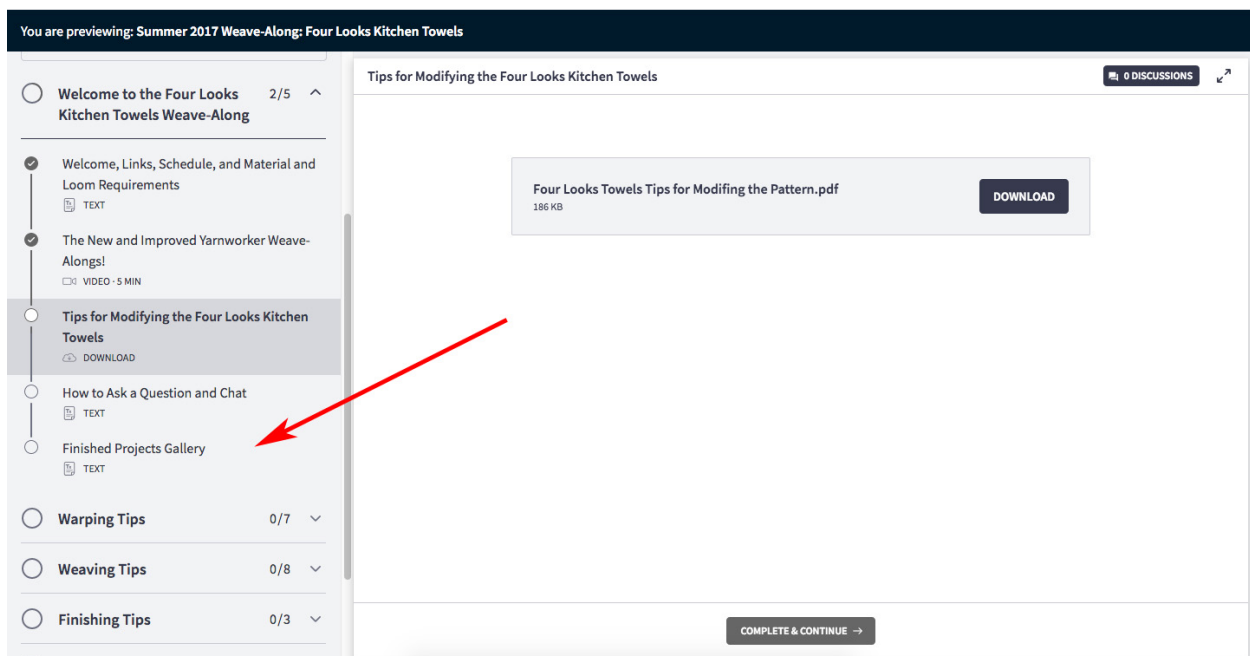

When you have completed a lesson, click the grey **Complete & Continue** button at the bottom right of the screen. This will mark the lesson as complete, and take you to the next lesson.

Reviewing a Lesson

If you would like to review a lesson that you have already completed, click on the lesson title.

Once you enter a lesson that you've previously completed, you'll see a second button at the bottom right of the screen. This new button will say **Mark as Incomplete** to continue to review, or you can click **Continue**.

The screenshot shows a web interface for a weaving course. At the top, a dark blue header reads "You are previewing: Summer 2017 Weave-Along: Four Looks Kitchen Towels". Below this is a sidebar on the left with a list of lessons. The first lesson, "Welcome, Links, Schedule, and Material and Loom Requirements", is selected and highlighted in grey. It has a "TEXT" icon and a progress indicator of "2/5". Other lessons include "The New and Improved Yarnworker Weave-Alongs!" (VIDEO - 5 MIN), "Tips for Modifying the Four Looks Kitchen Towels" (DOWNLOAD), "How to Ask a Question and Chat" (TEXT), "Finished Projects Gallery" (TEXT), "Warping Tips" (0/7), "Weaving Tips" (0/8), and "Finishing Tips" (0/3). The main content area on the right is titled "Welcome, Links, Schedule, and Material and Loom Requirements" and has a "0 DISCUSSIONS" button. The content includes a welcome message, a video introduction, a list of links (Yarnworker Website, Weave-Alongs and Yarnworker School FAQ, Liz's Patreon Page), a pattern link to Handwoven Home, and a skill level of "Advanced Beginner". It also provides material requirements for Yarn (22/2 cottolin or 8/2 unmercerized cotton) and colors. At the bottom right of the content area, there are two buttons: "MARK INCOMPLETE" and "CONTINUE →". A red arrow points from the "CONTINUE" button in the sidebar to the "CONTINUE" button in the main content area.
