

Ohio Personalized Learning Network LAUNCH Information Session

Teresa Dempsey, Ph.D.

Assistant Director of Personalized Learning
Ohio Department of Education

Abbie Everett

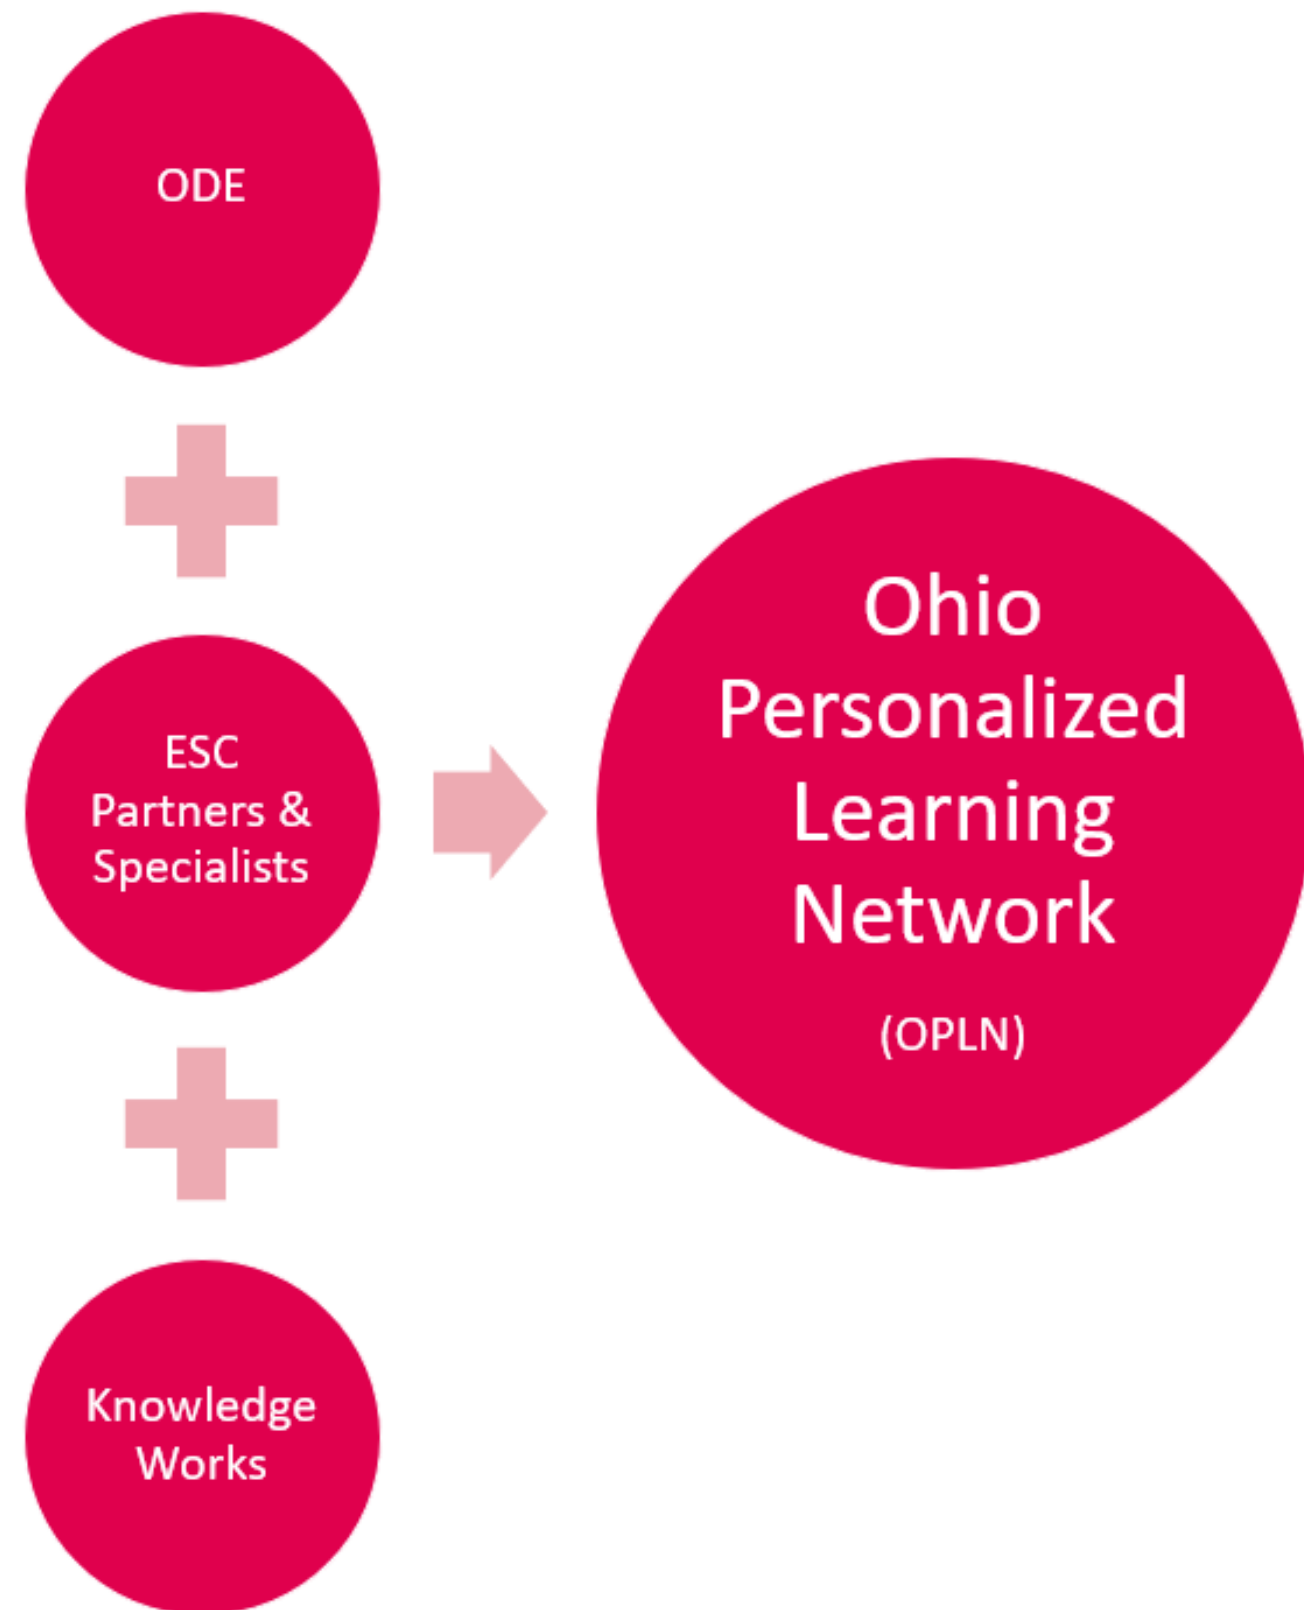

Director of Teaching and Learning
KnowledgeWorks

Outcomes for Today

- Build clarity on the **why** behind personalized learning
- Learn about a continuum of **grant-funded professional learning pathways** dedicated to supporting educators and/or school/district teams with exploring and building systems of personalized learning
- Learn how to **opt-in** to the LAUNCH professional learning pathway and how your school or district can receive **support from a regional ESC personalized learning specialist**

Learner Agency	Students are empowered daily to make important decisions about their learning experiences, how they will create and apply knowledge, and how they will demonstrate their learning.
Timely, Actionable Assessments	Assessment is a meaningful, positive, and empowering learning experience for students that yields timely, relevant, actionable evidence.
Customized Learner Supports	Students receive timely, differentiated support based on individual learning needs.
Progression Upon Mastery	Students progress based on evidence of mastery, not seat time.
Flexible Learning Paths	Students learn actively using different pathways and varied pacing.
Strategies & Systems to Ensure Equity	Strategies to ensure equity for all students are embedded in the culture, structure, and pedagogy of schools and education systems.
Rigorous Academic & SEL Learning Targets	Rigorous, common expectations for learning (knowledge, skills, and dispositions) are explicit, transparent, measurable, and transferable.
