

## **Professional Development**

**Glenn Flood**

**Wednesday 27th July 8.30am**

### **Synopsis.**

Kicking off day 2 of the conference we have kitchen leadership expert Glenn Flood running a professional development workshop designed to unlock the collective experience in the room. Glenn will do a deep dive into how to be a more inspired leader, providing effective strategies and tools to use in the workplace.

### **Glenn Bio**

Glenn solves leadership and team performance issues in the food industry. His depth of experience, industry credibility and media insight make him an alchemist in the realm of food. As a kitchen leadership coach and facilitator, he creates ripple effects in organisations by challenging their mindset and giving them the tools to thrive.
