

Meet the DEA MATE Act 8-Hour Training Requirement

Continuing Education

DEA MATE Act Training

DEA MATE Act Approved Training

ODL Education offers flexible training options that meet the DEA MATE Act one-time 8-hour SUD and opioid training requirement for new and renewing DEA registrants.

Trusted by 40,000+ clinicians and professionals, ODL Education simplifies DEA MATE Act compliance and documentation while strengthening clinical practice.

- DEA MATE Act-approved training
- 8-hour training pathways or individual courses to finish remaining hours
- CE that supports licensure needs while meeting DEA requirements
- Built for multi-disciplinary teams (ANCC, ACCME, ACPE, other clinicians)
- 100% online, on-demand, video-based courses
- Certificates issued immediately upon completion
- Centralized billing and discounted pricing for teams starting at 6+ enrollments
- Group enrollment, completion tracking, and reporting for CE administrators

"The information was actionable, I used it immediately in practice."

"Reducing stigma is essential to helping patients seek and stay in care."

"We need a workforce equipped to understand and treat addiction."

Compliance is the starting point. Competency is the goal.
