

DRS Mission and Vision Statements

Mission

Delivering results and solutions for a better tomorrow.

Vision

We will be the most respected risk consulting firm in the country, offering the best people, resources, and services, driven by our team culture, so we can deliver a recovery experience unlike any other.

DRS Academy Mission

As the education and training branch of DRS, the DRS Academy extends the DRS mission of creating resilient communities by training our clients and partners to prepare for unexpected events and disasters by providing high-quality continuing education opportunities.

DRS Academy Strategic Goals

Goal 1: Promote client success through innovative training offerings.

Goal 2: Ensure availability of mission focused continuing education.

Goal 3: Build and strengthen relationships with strategic partners.
