Mission

Meeting you where you are while helping you explore what you can become.

HOW WE CAN HELP?

- We serve small and large businesses, organizations, individuals and groups.
- We have special prices for non profits, schools and small businesses.
- We provide coaches with classes.
- We train virtually on virtual platforms as well as in person.
- Our classes are culture competent, interactive and effective.
- We conduct webinars, workshops, conferences, concerts and special online events in our virtual world.
- We have mentors with our classes

Founder

**Transformation & Life Skills Expert
Enterprise & Wellness Coach, Author,**

Dr. Suga-T Stevens has a passion for entrepreneurship and broken souls. She started her first business at 8 years old, with her grandfather and coached as an executive and talent in her successful family record label as a teen. She has made many sacrifices to earn many awards that includes a double AA, BA & double Masters as well as a PHD along with gold and platinum albums. Starting SMLA gave her a chance to pass along her experience and education to the many across the globe that deserve to be sprinkled with power of knowledge.

We are the solution!
