

Clune Safety Hub

Site Visitor  
Requirements

Access Guide

2026

# Introduction

- Each visitor must create an individual profile to complete training.
- The course include watching an instructor-led video on safety guidelines. After completing the training for 2026 you will receive a completion certificate to present to the Clune superintendent.

**\*\*Please read the directions completely before starting the process and follow the steps in this guide to complete your training\*\***

# Access

- Open a web browser on your computer, tablet, or phone.
  - Go to [www.clunesafetyhub.com](http://www.clunesafetyhub.com)
- Alternatively, scan the QR code to quickly access the website
- **(internet access required)**

**\*\*Please read the directions completely before starting the process and follow the steps in this guide to complete your training\*\***

# STEP 1: Create an Account

- Fill out the required fields:
  - First Name and Last Name
  - Email
  - Password
  - Clune Office Location
  - Company Name
  - Role on the Project
- Click **"Sign Up"** to complete your registration. Verify that all information entered is correct before proceeding.
- Alternatively, you can sign up using LinkedIn, Facebook, Google, or Apple.

## Safety 100 - Site Visitor Requirements

This brief orientation is designed for all visitors to Clune Construction project sites. Whether you're a client, vendor, or third-party guest, your safety—and the safety of those around you—is our top priority. In this short training, you'll learn about essential site access protocols, personal protective equipment (PPE) expectations, hazard awareness, and emergency procedures. Even a quick visit requires a commitment to safety, and this video ensures you're informed and prepared before stepping onto the jobsite.

# Complete Assigned Training

The screenshot displays the Clune Safety Hub interface. On the left, a sidebar contains the following elements:

- Clune Safety Hub**
- [Go to Dashboard](#)
- 2026 - Safety 101 - Trade Partners**
- Progress bar: 0% complete
- Search by lesson title (dropdown menu)
- Lesson list:
  - ☐ **Safety 101 - Trade Partners** 0/3 ^
  - ☒ **Safety 101 - Trade Partners**
    - VIDEO - 29 MIN
  - ☐ **Exhibit S - Safety Requirements**
    - PDF
  - ☐ **Clune Construction Safety 101 - Acknowledgment of Expectations**
    - SURVEY - 1 QUESTION

The main content area shows a video player for the selected lesson, **Safety 101 - Trade Partners**. The video frame features the Clune logo (a red stylized 'C' with an arrow) and a man in a white shirt speaking. The video player includes standard controls: a play button, a volume icon, and a full-screen icon.

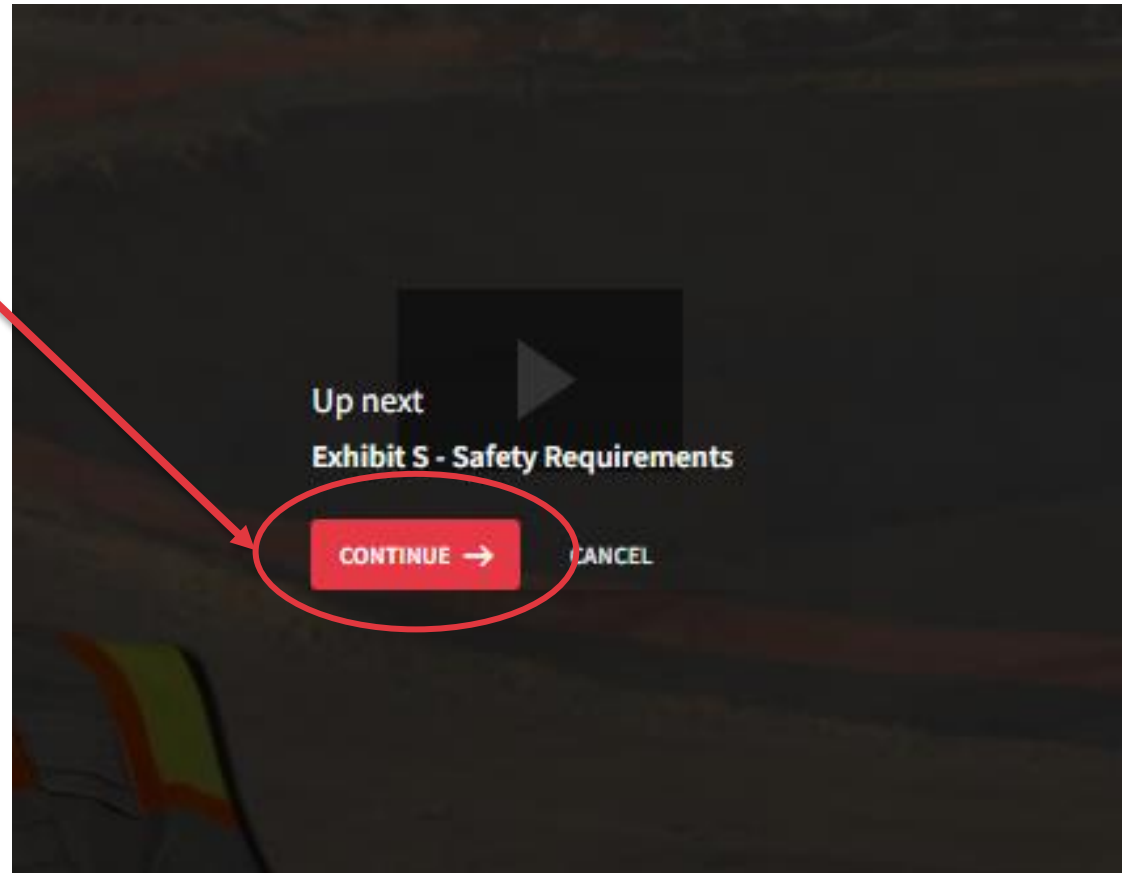

Click Play to start the video. Watch the entire course - 5 min video

# Review Clune Safety Requirements for Visitors

Thank you for watching the **Clune Construction Safety 100 – Site Visitor Orientation** video.

By continuing, you acknowledge that you:

- Understand the general safety rules outlined in this orientation.
- Agree to stay with your Clune Representative at all times while on site.
- Will wear proper PPE at all times, including a hard hat, safety glasses, high-visibility clothing, and appropriate footwear.
- Will respect all signage, barricades, and restricted areas.

- Will refrain from touching or interfering with construction tools, materials, or equipment.
- Understand that use of cell phones while walking is prohibited.
- Will maintain full awareness of your surroundings at all times.
- Agree not to enter elevated work areas or use ladders, lifts, or scaffolds unless authorized.

If you have any questions or feel unsure about anything during your visit, please speak with your Clune Representative or a Safety Team member immediately.

**Your safety is our priority—thank you for helping us maintain a safe job site.**

# Select “GET YOUR CERTIFICATE”

**\*\*Please read the directions completely before starting the process and follow the steps in this guide to complete your training\*\***

# STEP 3: Present Your Completion Certificate

- Print your completion certificate after finishing the course.
  - If you do not have access to a printer, take a screenshot of the certificate on your phone.
- Show the printed certificate or screenshot to the Clune superintendent on site.
- Once received, immediately place the 2026 safety hardhat sticker on your hard hat.
- Your hard hat must be worn at all times on Clune projects.

**\*\*Please read the directions completely before starting the process and follow the steps in this guide to complete your training\*\***
