### 2. Non-Statutory and Non-Delegated Nature

This assessment and any associated training or certificate are non-statutory in nature. They do not constitute, replace, or imply any certification, endorsement, approval, authorization, or delegation issued by a Flag Administration, Classification Society, Recognized Organization (RO), or regulatory authority.

Completion of this assessment does not, by itself, close deficiencies, validate regulatory compliance, or substitute for inspections, audits, surveys, or approvals required by applicable authorities.

### 4. Exam Participation and Integrity

You agree to complete all exams independently and honestly, without external assistance, collaboration, impersonation, automation tools, or unauthorized materials. You certify that all information provided in connection with the training and examination is accurate and truthful.

You are granted a limited, non-exclusive, non-transferable, revocable license to access and use the materials for personal learning purposes only. No ownership or intellectual property rights are transferred.

### 6. No Professional, Legal, or Regulatory Reliance

The training and assessment materials do not constitute legal, regulatory, technical, operational, safety, or professional advice. SolarisTech, Inc. does not act as a regulator, Flag Administration, Classification Society, auditor, or certifying authority unless explicitly stated in a separate written agreement.

SolarisTech, Inc. assumes no liability for decisions, actions, inspections, operations, or outcomes taken in reliance on the training or assessment content.

### 7. Confidentiality and Exam Security

Unauthorized disclosure may result in permanent access revocation and legal action.

### 8. Fees and Refund Policy

### 9. Performance, Results, and Certificates

You acknowledge that achieving a passing score is your responsibility. Completion of a course or assessment does not guarantee employment, promotion, vessel acceptance, charter eligibility, inspection outcomes, or recognition by any third party.

Any certificate issued reflects training or assessment completion only, unless explicitly stated otherwise in writing.

#### 10. Data Use and Privacy
